

Glandorf Comprehensive Community Plan

Help us to GROW Glandorf!

Community officials, along with a diverse 14-member planning committee, have started the process of developing Glandorf's first comprehensive community plan, and we need your help. You can start doing your part by taking a community survey that can be found by clicking here: <https://www.surveymonkey.com/r/PlanGlandorf>

You can also use the QR Code:

A printed hard copy of the survey is also available upon request or by stopping by the village hall.

What is the purpose of a Community Plan & why is it important?

The purpose of the comprehensive plan is to create a shared vision for the community to preserve and build on its heritage while giving direction for desirable growth and redevelopment and the implementation of important community projects, initiatives and priorities. The entire process will take roughly one year and be ready for adoption around June 2023.

The community plan will provide the community officials, residents and decision makers with guidance in the following areas:

- Community Services and Facilities (schools, library, etc.)
- Economic Development and the "Downtown"
- Land Use and Zoning
- Housing and Neighborhoods
- Infrastructure (water/sewer capacity, and other utilities)
- Parks, Recreation and Open Spaces
- Transportation and Connectivity (streets, parking, bicycle and pedestrian mobility)
- Plan Implementation and Coordination (getting stuff done and holding people accountable!)

If you have any questions concerning the planning process, please contact:

Mr. Charlie Schroeder, Mayor
Village of Glandorf
203 N. Main Street
Glandorf, Ohio 45848
